

## REACH BUSINESS MANAGERS AT HEALTHCARE SITES

### Medical Offices, Hospitals, Nursing Homes

SK&A offers you access to more than 256,500 business managers who have the authority to make purchasing and policy decisions. This list features managers who are key decision makers for business-office needs at group medical practices, surgery centers, nursing homes, hospitals and home-healthcare organizations. They are responsible for various office and administrative functions, including accounting and bookkeeping, clerical services, billing programs, e-record keeping, equipment and materials purchasing, office supplies, and medical supplies. Selects for this list include site type, site size, job function and gender, among others. This list is telephone-verified every six months for guaranteed accuracy.
